

## **POLICY CHANGES – HOA DUES Effective April 2010**

Homeowner Association fees will be due in January, 2010, for the coming year.

For your convenience, you may pay the \$150.00 fee electronically using the PayPal option, or you may make a check payable to **Siesta Isles HOA** in the amount of \$150 and mail it to our Business Address provided on this page.

The Association **did not** formally bill homeowners during 2009. The Board elected to *delay* the annual billing for two reasons: the economy and the fact that the Association had not undertaken any significant projects (other than the maintenance of the common areas and minor accounting).

As of April, 2010, unless homeowners support the Association with their annual payment, the Association will have to **discontinue** landscape maintenance of common areas or any other improvements to the community.

**Your support is greatly appreciated!**
